JAMES MARLO B. PEÑAFLOR

A diligent and passionate recent graduate with a Bachelor's degree in Information Technology, committed to helping teams achieve company goals and deliver high-quality software solutions. I have a strong foundation in front-end and back-end development and enjoy collaborating with others to build efficient, user-focused applications. Trustworthy, organized, and eager to learn, I am motivated to grow as a Full Stack Software Developer, contributing innovative ideas, supporting project requirements, and continuously improving my skills in developing and maintaining modern software applications.
